

*In Memoriam: Ram Prakash Anand (1933-2011)*

It is with great sadness that the Editors of *Trade, Law and Development* note the passing of Prof. Ram Prakash Anand. A Professor Emeritus at Jawaharlal Nehru University, Delhi and the President of the Indian Society of International Law, Prof. Anand was a preeminent scholar in the field of international law and was instrumental in laying the foundations of Third-World Approaches to International Law (TWAAIL).

The Board was in the process of compiling a special issue on TWAAIL when it learned of Prof. Anand's demise. In light of this sad event and his invaluable contribution to the field, the Board would like to dedicate the TWAAIL Special Issue to Prof. R. P. Anand and his work. Although the deadline for submissions has passed, we welcome contributions on Prof. Anand's work, persona and legacy.

May his soul rest in peace.

In grief,  
The Board of Editors  
Trade, Law and Development
